

Join us for a K-6 Parent Math Night!

Tuesday, October 25th

6:30–8:00pm

Dover Middle School Library

Experience a hands on engaging workshop designed to increase understanding of number sense development.

Learn how to support your child with fact fluency and mental math strategies.

Please RSVP your name and student grade level(s) to a.hinz@dover.k12.nh.us by October 24th to help us to prepare materials for all!

Presented by: Patty Driscoll and Karen Berg
